

The Worship Workshop *Live!* Sample Schedule

Looking for a consultation for your church that will zero in on your hopes and dreams, gifts and challenges and energize your staff and congregation for enhancing your worship? Whether it is simply “tweaking” what you do now, or big issues of change and conflict you are dealing with, Marcia has the knowledge and experience to guide you through the process.

Sample Schedule:

- **Contact Marcia and set a weekend date at least 6 months in advance**
- **Two months before *Live!* weekend:**
Send Marcia video recordings of your worship
- **One month before *Live!* weekend:**
Conference call with your leaders to talk about your goals for the consultation and to finalize worship plans during Marcia’s visit
- **Worship Workshop *Live!* Weekend:**
Friday evening: session with your worship team (or a wider group of people - your call) to work on specific needs
Saturday: all day workshop for your church and other worship teams from your area/city/region/district (this is your call - churches often open this workshop to other churches and charge registration to help cover fees and expenses of the weekend). Here’s what it looks like:

8:30 Registration, Conversation and Coffee

9:00 - 10:30 Session I: “Creating Worship with Deep Soul: Worshiping with Imagination and Integrity in ANY style” (an overview of worship “trends” and finding our place)

10:30-10:45 Session II: “An Interactive Walking Tour of 3000 years of Worship History... Only the Highlights!” (understanding “Tradition” and the “Politics of Change”)

Noon Lunch

1:00 - 2:30 Session II: “The Three V’s: Verbal, Visual and Visceral Ways to Creating Meaning and Diversity” (why we need sensory-rich worship and how to do it)

2:30 - 2:45 Break

2:45 - 4:00 Session IV: “If ‘liturgy’ literally means ‘work of the people,’ let’s put the people to work!” (moving from “plug and play” to intentional design and getting more people involved in seasonal design team)

Sunday: Marcia works with your worship team in leading worship. There is no better way to create enthusiasm for worship renewal than to experience it!
